

TACH-IT®

Ben Clements and Sons, Inc.

We Offer Solutions for Productivity.

Model # SH430:

Bottle and Cylindrical Product Label Applicator.

- Ultra Economical Label Applicator.
- A simple turn of the handle applies a label smoothly and consistently to any round product.
- No electric, fully portable can be used anywhere.
- Heavy Duty Construction and Product Fixture for consistent label placement.
- Perfect for lower productivity applications and also as a back up unit for semi-automatic and inline automated systems.
-
- Small bench top design.
- Label Indicator so only one label is applied.
