

TACH-IT®

Ben Clements and Sons, Inc.

We Offer Solutions for Productivity.

Model # AP65 Series: Hand-Held Label Applicators.

- Available in 3 widths (see chart below).
- Unique mechanical sensor adjusts the stroke of the trigger at the die-cut so only one label is applied with each pull of the trigger.
- Lightweight and fully portable.
- Soft pull trigger dispenses the label.
- Perfect for hand labeling of agricultural products, palletized goods and for use anywhere a portable label applicator is needed.
- Can dispense labels with a maximum label width of 3.93" (100 mm).
- For die-cut labels on a 1" core.
- For high production repetitive labeling applications.
