We Offer Solutions for Productivity.

Model # LC-100: Label Counter and Winder.

- Unwinds and Rewinds labels as they are counted.
- Digital Counter allows for labels to be counted in pre-determined quantities or for infinite counting of labels on a roll.
- Quick release chucks allows for fast label changeover.
- Heavy Duty Construction for years of reliable service.
- Perfect for pharmaceuticals, medical packaging, high value products, military applications, areas where labels are used as a control mechanism.
- Used to confirm the number of labels on a roll.
- Bi-Directional with 2 variable speed motors to avoid web breakage.
- Fully portable - Small bench top design.
