

# TACH-IT®

Ben Clements and Sons, Inc.

## We Offer Solutions for Productivity.

### Model # PDL Series: Mechanical Label Dispensers.

- Available in 5 widths up to 12 1/2" (see below).
- Perfect for use in shipping rooms, retail, office, manufacturing, food service and anywhere labels are needed.
- For single or multiple roll use.
- All Steel Construction.
- Keeps label rolls organized, avoids loss of money due to label waste and is easy to use, just pull the liner of the label to be dispensed.
- Fully portable - Small bench top design.
- Dispenses virtually any die-cut or butt-cut label.
- Large 7" maximum roll diameter and can be used with any core size.

| PDL Style #: | Maximum Liner Width: | Included Separators*: |
|--------------|----------------------|-----------------------|
| PDL-2:       | 3" (76 mm)           | 0                     |
| PDL-4:       | 4 1/2" (114 mm)      | 1                     |
| PDL-6:       | 6 1/2" (165 mm)      | 2                     |
| PDL-8:       | 8 1/2" (215 mm)      | 3                     |
| PDL-12:      | 12 1/2" (315 mm)     | 4                     |

\*= Additional Label Separators can be purchased separately.
